Service Pricing – Standard Priority

The prices listed are based on non-urgent, pre-booked weekday appointments and do not include an additional call-out charge. The first hour of labour is included within the listed price.

Appointments are scheduled in advance and are subject to engineer availability. Any additional labour beyond the first hour, replacement parts, or work outside the agreed service will be charged separately.

Emergency, out-of-hours, weekend, or priority call-outs may be subject to additional charges.
